ABOUT COMPANY

We are a prominent and rapidly expanding construction company proudly based in Sri Lanka. With 15 years of experience in the construction business, we have successfully completed 75 diverse projects, a testament to our expertise and unwavering commitment to quality.

Our extensive range of services caters to both government and private construction projects, and we also provide specialized consulting services. We offer comprehensive solutions that include project design, building construction, and property development. Additionally, we excel in specialized areas such as structural and architectural design, project management and consultation, and precise quantity surveying.

Here are our business registration details:

- Business Reg. No.: PV 69435
- VAT No.: 114694355-7000
- CIDA Grade: C-4 (Buildings)
- CIDA Reg No.: C - 10728

WELCOME MESSAGE

As the CEO of OSMA Engineering Services, it gives me immense pleasure to welcome you to our company. For 15 years, we have been at the forefront of Sri Lanka's construction industry, building a reputation for excellence, innovation, and unwavering commitment to our clients. We pride ourselves on having successfully completed 75 diverse projects, each one a testament to our team's dedication and expertise.

At OSMA, we offer a comprehensive suite of services, from the initial stages of project design and detailed structural and architectural planning, all the way through to robust building construction and thoughtful property development. Our capabilities extend to both government and private sector projects, and we are equally adept at providing insightful project management, consultation, and precise quantity surveying services.

Our commitment goes beyond just building structures; we are dedicated to building lasting relationships and contributing positively to the landscape of our nation. We believe in delivering not just projects, but value, quality, and trust.

Thank you for visiting us. We look forward to the opportunity to partner with you and bring your vision to life.

OUR VISION & MISSION

VISION

At OSMA, we envision a future where innovation and quality craftsmanship drive sustainable growth and uplift industries across Sri Lanka and beyond. We strive to become a trusted leader in our field by continuously delivering advanced solutions, fostering local talent, and setting new standards for excellence. Our vision is to shape a better tomorrow by being a brand synonymous with reliability, integrity, and innovation.

MISSION

Our mission is to empower industries and communities through cutting-edge products and services that blend precision engineering, modern technology, and sustainable practices. We are committed to understanding our clients' needs, exceeding expectations, and building long-term partnerships through transparency and performance. At OSMA, we believe in continuous improvement, ethical business, and contributing meaningfully to the development of the nation.
